"Where was Calhoon & Associates when I was fighting the insurance companies who were denying care?"

-Gene Veng, Former Executive Director-  
PA Chiropractors' Assn.

Clients say: "You will learn about ALL of the BENEFITS you are ENTITLED to due to your injury and about RIGHTS you didn't know you had."

**Special Points of Interest for the Doctor:**

- Higher percentage of your work comp claims should be paid and be paid quicker and with interest.
- Less frustration and intimidation for your office billing staff.
- Less friction with patients over their unpaid treatment bills.
- Helping your patients protect their rights for which they will thank you.

**Special Points of Interest for the Injured Worker:**

- How not to be taken advantage of.
- When and when not to treat with company doctors.
- How to deal with pre-existing conditions.
- Impact of Social Media on WC Claims.
